Dear Parents/Guardians:

Your assistance is requested to work collaboratively with the school principal to survey school personnel and parents to obtain their views about the effectiveness of the Title I instructional program. Please summarize your option on the enclosed questionnaire, and return the completed questionnaire to your child's school. The name of your child's school and the District Parent Advisory Council Representative for your school is listed on the enclosed back page. All questionnaires must be returned to your child's school by **Friday, February 21, 2020.**

Parent participation in program planning is an important aspect of the total Title I program. Your collective responses on the questionnaire will be considered as next year's program objectives and funding goals are developed. If you have questions concerning the questionnaire, please call Mr. Cedric Hairston at one of the numbers listed below. Thank you in advance for your support and assistance.

***IMPORTANT:*** Please **return the survey**, even if you do not have any suggestions. The Title I Office is required to keep all surveys on file to document that parents were given an opportunity to participate in program evaluation and planning.

Sincerely,

Mr. Cedric Hairston,  
Supervisor of Title I and Instructional Programs
